Let's meet at 7:00 at the fairgrounds for the daily briefing.

We also have an 11:00 briefing in Ignacio with Kathi and Mick. And a 12:00 briefing with Tribal Council and the Tribal IMT.

Randy: We could use support with well sampling and comparison criteria. Grant-funded data released to Area Command. Coordinate with Curtis. Afreda Mitre called about tribal meeting.

Waylon: We will need an update on the impact on irrigation ditches. Results of field inspections and proposed sampling points. May need to clean ditched and potential disposal.
